Is there a jamming device that interferes with both GPS and lojack? - Jammer-buy Forum

2020/07/03

In the news, I knew the track may lead to serious consequences, the most immediate threat is involved in our property and life safety, so I want to put an end to all sources of tracking, especially for the tracking of my car, in many cases, I drove a car to carry the family travel, their safety issues to consider, not because life is being followed by the criminals and cause problems. I have learned that currently, high-tech tracking mainly includes GPS satellite tracking and lojack signal tracking. I want to purchase the jammer device that blocks this signal at the same time. Can you recommend it for me?
